Global refit has been completed in June 2011 with many cosmetic improvements to her interior and exterior. The complete technical upgrade brought her back to perfect functional condition, and includes 5 year survey.

## **11. COMMENTS**

**SHOOTING STAR** is probably the best high performance yacht offered today with speed in excess of 50 Knots.

She combines elegant style with high technology and the comfort of a luxury super yacht.

## **12. EXCLUSIONS**

A complete list of exclusions is available upon request.

### 13. GENERAL ARRANGEMENTS
